

## WE SIDE WITH VETERANS SPONSORSHIP

This Veterans Day, we're proud to continue our annual "We Side with Veterans" project, where we donate a siding makeover to a deserving local veteran. This initiative allows us to use our craft to make a real difference, while sharing each veteran's story of service and sacrifice with the community.

We would be honored to have you join us as a sponsor for this year's project. Sponsorships help cover material and production costs, allowing us to complete the renovation and expand our community outreach.

Please see the attached sponsorship tiers for the We Side with Veterans Project and consider partnering with us to make a meaningful impact for a local veteran.

If you'd like to be part of this meaningful initiative, please email [info@quint.com](mailto:info@quint.com) or contact us at 972-379-4055. We'd love to include you in this year's project and highlight your business as a community partner that proudly stands with our veterans.

Thank you for considering this opportunity to give back and make a lasting impact.

With appreciation,

Quint-Pro Siding & Windows
